Board Members and General Management

Board Member (Defense, Commercial Aviation and Industrial Products)
Board Member (Diverse Electronic and Weapon Systems)
CEO (Satellites, Avionics and Communications Systems)
President (Satellite and Spacecraft Systems)
President (C4ISR Systems)
President (Tactical Missile Systems)
EVP & COO (\$500M Electro-Optical and IR Systems)
VPGM (Smart Munitions & Armament Systems)
VPGM (EW & Radar Systems)
VPGM (Tactical Weapons Systems)
VPGM Space Systems Applications (Satellite Network Command & Control Systems)
VPGM Aerospace Support Services (\$1.3B Logistics, Life Cycle Support and Technical services)

Business Development, Strategic Planning & Capture Management

Corporate SVP, Business Development (Diverse Electronics & Weapon Systems)
Corporate VP, Business Development & Strategic Planning (\$6B Diverse Electronics & Shipbuilding Co.)
Regional President, Business Development - Middle East (\$20B Weapons & Electronics Co.)
Group VP, International Business Development (Combat Vehicle Systems)
SVP, International Business Development (Tactical Weapons Systems)
VP, Precision Engagement, Strategic Business Area (\$20B Weapons & Electronics Co.)
VP, International Business Development (Ordnance Systems & Products)
VP, Business Development (Strategic and Tactical Propulsion Systems)
VP, Business Development & Strategic Planning (\$2.5B Electronics Systems Group)
VP, Missile Defense, Strategic Business Area (\$20B Weapons & Electronics Co.)
Numerous Director and Manager level Business Development and Capture Management assignments (domestic & intl.)

Business Area, Product Line & Program Management

VP, Strategic Space Systems (\$1.0B Spacecraft Sensors & Payloads)
VP, Land Combat Systems (\$500M Tactical Weapons Systems)
VP, Directed Energy Weapons & Advanced Missile Defense Systems
VP, Program Management (\$350M National Geospatial Intelligence Programs)
VP, Program Management (Spacecraft & Support Systems)
VP, Program Management (Surveillance & Battlefield Management Systems)
VP, Program Management (Navy Missile Defense Systems)
Director, Program Management (C4I Systems)
Numerous senior Program Management assignments (Mission Systems Integration, Advanced Development, Production and execution for diverse platforms, major subsystems, networks, products, support and technical services)

Searches (continued)

Human Resources

Corporate VP, Human Resources (Fortune 100 Corporation, Defense & Commercial Markets)
Corporate Director, Human Resources (Space Systems, Avionics & Aircraft Controls)
VP, Human Resources (Munitions & Ordnance Products)
VP, Human Resources (Combat Vehicle Systems)
VP, Human Resources (\$3.0B Electronics Systems Sector)
Director, Human Resources (\$3B Tactical Missiles)

Finance & Contracts

CFO (Diverse Electronic & EW Systems & Products)
CFO (International Software & Simulation Company)
SVP, Finance (Combat Vehicle Systems)
VP, Finance (Avionics and Communications Products)
VP, Contracts (Communications & Space E/O Products)
Sector VP, Contracts (\$2.5B Electronics Systems Sector)
Controller (Munitions & Ordnance Products)
Controller (Space Information Technology & C3 Systems)
Director, Contracts & Subcontracts (Weapons Systems & E/O Targeting Systems)
Director, International Contracts (Tactical Missile Systems)

Engineering/Technical Management

SVP, Engineering (\$6B+ Advanced Aerospace & Industrial Products)
SVP, Engineering (\$10B+ Military & Commercial Aircraft Engines)
SVP, Engineering (Spacecraft & Electronic Systems)
VP, Chief Technical Officer (\$5B+ Diversified Defense Electronics Systems Corporation)
VP, Advanced Programs (Tactical Missile Systems)
VP, Advanced Programs (Tactical Aircraft Targeting Pods & Guidance/Navigation Systems)
VP, Systems Engineering (Satellite & Spacecraft Systems)
VP, Engineering (Tactical Radios & Communications Systems, ESM & E/O Products)
VP, Engineering (Tactical C3I & EW Systems)
VP, Engineering (Radar & Air Defense Systems)

Operations, Manufacturing & Supply Chain

VP, Quality Operations (E/O & Laser Systems)
VP, Operations (Aircraft & Spacecraft Electro-Mechanical Systems)
VP, Operations (Avionics & Communications Products)
VP, Supply Chain Management (\$2.5B Electronics Systems Group)
VP, Manufacturing (Tactical Radios & Communications Systems, ESM & E/O Products)
Director, Manufacturing (HF, VHF, UHF Radios)
Director, Manufacturing (Munitions & Ordnance Products)
Director, Product Assurance (Diversified Electronic Products & Components)
